GENERAL INSTRUCTIONS

1. Teachers will explain the 'Theme of the Month' and the activities to be conducted by students. They would distribute the booklets, which the students will have to complete in the month as per instructions in it.
2. Teachers will receive **Podcast** every month to establish the understanding, that can also be shared with the parents and students later. This will be followed up with the **Cue-cards** every week as a reference to the activities to be conducted.
3. Conducting survey
 - Students should be instructed to take copies of the questionnaire from the booklet and interview four people (self and three other people) and capture their response. These four people will be from different groups namely:

S. NO.	Persons to be interviewed
1	Self
2	A family member
3	A neighbour
4	A university/college student

- A set of questions have been given
- Among those being interviewed there should be one woman and one senior citizen (above 60 years)
- Students need to be polite while asking questions
- Students must keep their parents informed about the survey and seek their help in the activity in interacting with the strangers
- Students must complete the surveys during Week 1
- Students should be encouraged to go in pairs with their classmates, instead of going alone
- Students should try and interview different people during the survey in each month

4. Liberty Game Booklet - Action Projects (ONLY FOR CLASS 6 - 8)

- The Action Projects given in the Liberty Game Booklet needs to be explained in the period of Week 1 and students need to complete it before the Week 2 period
